

The Nexford Financial Need Scholarship was developed to benefit learners who meet a set of criteria to determine their financial need. There are limited scholarships available each term. Each application is evaluated by the Scholarship Committee, after detailed information is provided by the applicant. The scholarship decision is final, with no appeal process.

There is a limited quantity of scholarship slots available – discuss with a Nexford Application Specialist or contact [help@nexford.org](mailto:help@nexford.org) to learn more.
